Hello Interlake teachers,

The Saints Robotics team and FIRSTWA, the Washington branch of the nonprofit FIRST Robotics, will be hosting a robotics state championship on **January 14th and 15th**. While the competition will be held in the main and upper gyms, some robot inspection and judging will need to take place in classrooms.

In order to avoid conflicts with Indian School, which runs concurrently Sunday morning, we are looking at using **rooms 1516** and **1522** in the art wing and **1801, 1802, 1803, 1806-1807, 1808, 1809** in the tech wing for judging and inspection, and **Ms. Wargo's room** to serve as the volunteer and event personnel room. **1806**

Please reply to this email! If you have any objections and prefer your room not to be used, please let me know as soon as possible so I can make arrangements with the administration.

We appreciate your cooperation. Thanks!

Larry
